TWO WEEKS... And Counting!

That's right, just two short, very short, weeks until we celebrate Carnavale style at the Manor House and here are two little words for you to remember...

BASKETS & SPONSORS!

With only 10 business days left to stock our gift baskets and fund this event, we are thousands of dollars short on our sponsorships *and* we need baskets, baskets and more baskets! Art and Greg are encouraging... ok, begging, all of you to deliver your baskets and secure those sponsorships – TODAY! (To be included in the program, the deadline is today.)

That means that you also are asked to fill out and submit your donor and/or sponsor forms – TODAY. "Forms... What forms?" you ask. You can easily find any necessary forms on our web site (www.westchesterrotary.org). **For basket items, send info. to Greg Girard by fax (513.942.4677) or by email (ggirard9143@yahoo.com). For sponsorships, send info to Norv Mathie by email (nmathie@aol.com) or phone him with leads at 513.777.1007.**

Remember, you can still donate gift basket items until Thursday, February 15, however they will not be included in the program. Donated items may be taken directly to Towne Physical Therapy, Inc., 7665 Monarch Ct., Suite 109, West Chester, Monday - Thursday.

Remember to ask restaurants for gift cards when dining out and please bring bottles of wine to our next Rotary meeting or directly to Towne Physical Therapy—we need lots of wine!

Membership Surveys

Thank you to everyone who completed the Membership Survey this past Friday. Your input is invaluable as we prepare for future membership activities. If you didn't have a chance to complete the survey, there will be extra copies at the registration table as well as attached to this email. Please return to Katie Braswell by February 9th. Survey results will be communicated via the newsletter and at one of our meetings.

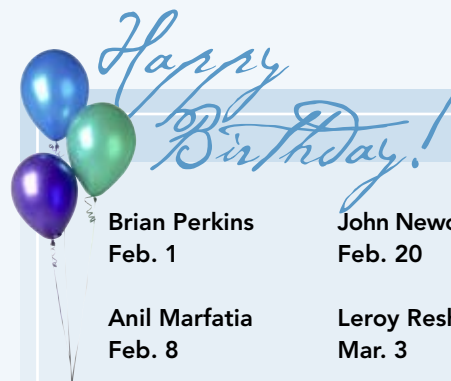

Also, just in glancing through some of the surveys, it is evident we need someone to take the lead in publicity for the Club. If you are interested in this position, please contact Rick Taylor or Katie Braswell. The Club is a valuable asset to the community and we need to "toot" our own horn... Loudly!

Relay For Life | May 12-13 | Lakota West HS

Relay For Life is a fun-filled overnight event designed to celebrate survivorship and raise money for research and programs of our American Cancer Society. During the event, teams of people gather at schools, fairgrounds, or parks and take turns walking or running laps. Each team tries to keep at least one team member on the track at all times. Please contact Lourdes Ward (email: lawrol1@aol.com) to provide your support with either your participation or a donation!
