Six Weeks & Counting...

We have only six weeks until Carnavale, our Annual Charity Dinner/Auction which will be held on Saturday, February 17, 2007 at the Manor House in Mason. With such little time to wrap up the many details of this high profile community service event, all members are encouraged to step up their auction efforts.

Still needed are event sponsorships at the many levels, donated items and services for the live auction, and the planning and purchasing of gift baskets and/or basket items for the silent auction. Remember to ask restaurants for donations when dining out and please bring bottles of wine to each Rotary meeting — we need lots of wine!

In mid-December a solicitation letter and sponsorship form were e-mailed for member use in securing sponsorships and donations. Please make good use of these forms which are also now available on our club web site. (www.westchesterrotary.org)

Donated items may be delivered at any regular meeting or taken directly to Towne Physical Therapy, Inc., 7665 Monarch Ct. Suite 109, West Chester.

eClubs, A New Way To Earn Credit For Missed Meetings

All Rotary clubs meet weekly to fellowship and network as a local club. Every member is expected to attend at least 60% of all meetings. And at least 50% of that requirement needs to be at your host club. However, meeting this requirement may at times be a challenge.

To help you meet your attendance requirement, let me introduce the newest way to receive credit for a missed meeting: attend a 30-minute interactive eClub program of another club, anywhere in the world! This unique make-up system allows you to experience what other Rotarians are doing to foster the ideals of Rotary within their community. Some programs are even available 24/7!

Listed are the 15 eClub sites that are participating in this unique pilot program. The instructions are very clear and easy to use. Most of them will ask for a donation to offset the cost of providing this service. Please note, not all are translated to English. You'll also find these listed online at: www.rotary.org.

Of course, attendance can also be credited by attending the more traditional meetings such as:

- Board Meetings
(held on the second Thursday of each month at 6:00 PM held at Wetherington),
- Committee Meetings
(please see Committee chairs for details)
- Club Events
- Other Rotary Club Meetings

And don't forget:

- When attending a meeting at another Rotary Club, be sure to pick up a Visiting Rotarian Slip from them and return it to your Club Secretary for credit.
- When attending a Committee meeting ask the Committee Chair to submit an attendance report to your Club Secretary. (It's the responsibility of the Committee Chair to report attendance.)
