Youth Exchange and GSE News

Outbound Rotary Youth Exchange — Four Lakota students were proposed by our club and selected by our District 6670 for outbound this year! Marissa Dunyak – Hungary, Kristen

Clegg – Russia, Alexandria Manchabelli – Slovakia are the full-year students and Kaylyn Bopp is the summer student.

We commend these young adults for embracing this once in a lifetime opportunity to meet, live with and experience the people and culture of different countries from around the world.

Inbound Rotary Youth Exchange — We are in need of a family who can commit to hosting an inbound student for three months. It would be ideal if this family also had a teenager enrolled in one of the Lakota High Schools. If you are interested or know of someone who would be interested, please contact Anil Marfatia at 513.777.8484 or email him: anil.marfatia@gmail.com.

GSE Team (Group Study Exchange) — Unfortunately we have not been selected as a host for the Japanese team who will be in our district later this year. This is due to overwhelming interest by other clubs in our district. The committee offers its apologies and thanks you for your support of its program!

Nine Days And Counting!

How can that be? Last month it was two weeks and counting. In case you haven't heard the news... We postponed our annual dinner and auction to March 10 due to inclement weather. Judges Needed – Four-Way Speech Contest

An enjoyable opportunity is fast approaching by serving an hour and one-half judging local students who will be participating in our preliminary speech competition on Tuesday, March 13th from 2:40PM – 4:15PM at Lakota West High School. Four judges are still needed, as four have been filled. You do not need to have previous training in speech judging. If interested, please contact Rich Sears at: richard.b.sears@ampf.com.

Relay For Life

Relay For Life is a fun-filled overnight event designed to celebrate survivorship and raise money for research and programs of our American Cancer Society. If you are interested in participating with our Interact Students on May 12–13 at Lakota West HS, please contact Lourdes Ward at lawrol1@aol.com.

Third World Goat Fund

Thank you to all who contributed to the Interact Goat Fund. Our club collected approximately \$175 just by “passing the hat” during one of our February meetings. This will help provide milk, cheese and hair for clothing to a family in a third world country. With our students having decided to provide for the purchase of two goats, this will allow additional goats to be born and raised for other members of that village.

Rotary International

The Wild West is the setting for the 98th annual RI Convention.

But you won't find anything rough or unsophisticated about Salt Lake City. Utah's state capital boasts all the amenities of a big city — world-class accommodations, entertainment, dining, and culture — as well as the family atmosphere and safety of a small town. And like Rotary itself, Salt Lake City offers a welcoming environment with more than 80 languages spoken by its citizens.

Known as the Crossroads of the West, this cosmopolitan U.S. city makes an ideal base camp for visiting the many natural attractions and historic sites nearby. Stay in the city and visit the Olympic Legacy Plaza, historic Temple Square, or the Family History Library. Or take to the road and tour one of 15 scenic national parks, including Yellowstone, Grand Teton, and Arches, and historic monuments within a day's drive of Salt Lake City.

Help Lead the Way to a successful Rotary year by registering today for the Salt Lake City convention at www.rotary.org/events.
